2017 SPRING ADVERTISER / SPONSOR PACKAGE

Dear Businesses and Supporters,

The 1794 Meetinghouse has been presenting wonderful concerts in the North Quabbin region for more than 25 years. We typically have 18 to 20 performances each season ranging from classical instrumental and choral music through folk and jazz to indie rock, with an audience of more than 1,250 both from within the region and traveling here from further afield.

This summer we have a wonderful lineup all set to go, but concert production has always cost more than we can support with ticket prices alone. We rely on your ads and sponsorships to close the gap. If you've never been an advertiser or sponsor before, please consider doing so now. If you have supported us in the past, please consider a larger ad or sponsorship, or a combination of the two.

Are you new to the area, or a business that has just changed location or focus? Let the region know through our PROGRAM BOOK. Are you an established business? Let us bring you renewed attention. Please support us with your ads and sponsorships; by doing so, you support the arts, the local tourist industry, and the overall economy of the North Quabbin region.

Thank you,

Brad Foster
Executive Director
